### Itinerary

9:00 am - Meet at Kress on Dexter (39 Dexter Avenue, Montgomery) for walking tours through the area, including the Hopare mural, Kress on Dexter gallery, and coffee at Prevail Union. Comfortable shoes are recommended.

10:30 - Have a unique artist experience with Chinta Kirana, a multidisciplinary artist from Jakarta, Indonesia, whose work has previously been exhibited at WMA. Chintia will be onsite to talk about and collect brainwaves for her forthcoming *Temporal Spectra* project. Kirana is collaborating with residents and visitors—in this case, collecting their brain waves when asked the prompts: “What does hope mean to you?” and “What do you hope for?”—to create a multi-sensory project. The artist's project intertwines art, music, science, and our humanity to explore our inner beings and our connectivity with one another. The *Temporal Spectra* project is supported by the Verdant Fund and the Andy Warhol Foundation. [www.chintiakirana.com](http://www.chintiakirana.com)

12:30 - Meet for a group lunch at Verde Cafe at the Montgomery Museum of Fine Arts (One Museum Drive, Montgomery) for approximately an hour. Featuring stunning views of the Museum's beautiful Parker Terrace overlooking Newell Lake and Blount Cultural Park, Verde offers a variety of delicious options made from fresh, seasonal, and local ingredients.

1:45 - Take a tour with a museum staff member through MMFA's galleries and vault, including temporary exhibitions, works from their Permanent Collection, and the Sculpture Garden. The day will wrap up around 3:30 p.m.
